

2020 Census: Shape Your Future START HERE

The census provides a snapshot of the nation.

Census workers will be on site for one day between:
September 3rd – September 28th, 2020

A complete and accurate count is important. The census provides critical data that lawmakers, business owners, and many others use to provide daily services, products, and support for you and your community.

The 2020 Census is easy. The questions are simple.

Strict federal law protects your census responses. It is against the law for any Census Bureau employee to disclose or publish any census information that identifies an individual or business. Census Bureau employees take a lifelong pledge of confidentiality to handle data responsibly and keep respondents' information private.
