## **Subject Line or Title: Shape your future with the 2020 Census**

We are excited to announce that we are partnering with the U.S. Census Bureau to support the 2020 Census. As a partner, we are working to make sure our community is accurately represented in the 2020 Census.

The census counts everyone in the United States. Census results are the basis for congressional representation and help determine how more than \$675 billion in federal funds is distributed each year to support vital programs in states and communities across the country. These funds shape local health care, hospitals, housing, employment, and public policy.

[Add specific information about why you are partnering.]

As the 2020 Census continues, we will share information about how you can make sure our community is fully represented. Visit [2020CENSUS.GOV](https://2020CENSUS.GOV) to complete your form today and get the latest news.
