

# Our differences count.

Shaping the future of our community starts with the 2020 Census.

## Easy

Respond online, by phone, or by mail. The online form is available in many languages, including Arabic.

## Safe

Title 13 of the U.S. Code requires that your personal information be kept confidential. Your information cannot be shared with any law enforcement or government agency.

## Important

Responses to the census will inform how more than \$675 billion in public funding flows to things like community services, health clinics, after-school programs, college and university grants, and programs that support minority-owned businesses.
