Before you answer Question 1, count the people living in this house, apartment, or mobile home using our guidelines.

The Census must also include people without a permanent place to live, so:

• If someone who does not have a permanent place to live is staying here on April 1, 2020, count that person.

• Do not count anyone living away from here, either at college or in the Armed Forces.
• Do not count anyone in a nursing home, jail, prison, detention facility, etc., on April 1, 2020.
• Leave these people off your questionnaire, even if they will return to live here after they leave college, the nursing home, the military, jail, etc. Otherwise, they may be counted twice.
